This authentically detailed replica is a reproduction of the actual filming prop used in the motion picture, THE HOBBIT: THE DESOLATION OF SMAUG™, built by Weta Workshop of New Zealand. The helm is crafted of reinforced polyresin, with precisely-molded details and coloring, including weathering and aging effects. It is presented with a polystone and wood display, sculpted in the shape of the Rivendell guard neck and shoulder armor. It includes a certificate of authenticity.
