Flexopol Cleaner Fine - grinding rubber for cleaning grit 150. It is made in the innovative technology of flexible grinding blocks. An ideal product for cleaning swords, sabers, knives, machetes and other steel tools. Rubber Cleaner has high performance and allows easy cleaning, grinding and polishing. Cleaner allows you to quickly remove rust or other dirt from metal, wood or ceramics. It is possible to cut the block into smaller pieces / strips to reach hard to reach places. The sanding block can be used both wet and dry. The use of polishing paste or water increases cleaning efficiency.
