For almost thirty years United Cutlery has been distinguished by our unique and innovative product designs that cover a wide range of knives and swords, from functional to fantasy:

- Collectible Movie Replicas
- Functional Swords and Martial Arts
- Fantasy Swords
- Throwing Knives
- Sporting and Hunting Knives
- Personal Protection/Military Knives
- Folding and Utility Knives
- Camping/Fishing Knives
- Displays and Stands

United is well known for their movie prop replicas, fantasy collectibles, great selection of functional sport and utility knives, traditional samurai swords, and our unique designer knives and swords by Kit Rae and Gil Hibben. Often imitated, but never exceeded, United Cutlery strives to make knives and swords to the highest standards in the industry, with superior value, quality, performance, great customer service, and prices that cannot be beat! And now you can buy it our store. We are United Cutlery dealer for several years.

Current offers can be always found on the manufacturer's website: [www.unitedcutlery.com](http://www.unitedcutlery.com)

A legendary Swordmaster and virtuoso warrior, Duncan Idaho may be House Atreides' deadliest weapon. A man of loyalty and lethality, his guiding principle is to fight for the royal family as though they were his own, and to defend Paul Atreides with his life. United Cutlery's Duncan Idaho replica long blade is an exact reproduction of the actual filming prop used in the films. A 22 3/8" 3cr13 stainless steel blade is 4mm thick and finished in a semi-gloss black coating. The blade is engraved with the Caladanian letters TVWYZ, which is an acronym for "Triumph of Valor and Will as Your Zenith." The hawk sigil of House Atreides is stamped just above the handle. An injection-molded nylon handle is hand-wrapped with imitation black leather to mimic the actual screen-used prop. The stunning reproduction can be displayed on its wooden wall display, which is adorned by the hawk sigil of House Atreides. A certificate of authenticity is also included.

### Product parameters:

- Total length: 82 cm
- Weight: 1,05 kg
- Blade length: 60,5 cm
- Thickness: 4 mm
