Hibben III Bowie Knife And Leather Sheath The Hibben III Bowie Knife is an exact reproduction of the fully-functional knife, created by custom knifemaker Gil Hibben, that was a hero prop in a 1988 blockbuster movie. It was replicated using the original prop from the movie star's personal knife collection. United Cutlery, created this bowie knife using only the highest quality materials and production methods to resemble the actual film prop which was handmade by Gil Hibben. The 11 7/8" blade is composed of a 6mm thick 7Cr13 stainless steel with a 2-direction satin finish and mirror-polished top grind. The handle is composed of a dark brown wood bookended by black micarta spacers. A satin-finished, cast stainless steel guard and pommel complete this rugged replica knife. A genuine top-grain, vegetable-tanned leather sheath is included. Original Rambo III knife designed by Gill Hibben and used in movie by Sylvester Stallone(John Rambo).
