The M48 OPS Large Karambit is a modernized design of the karambit, a weapon with hundreds of years of fighting history behind it. The large karambit is a one-piece 3Cr13 stainless steel construction with a stonewashed finish and weight-reducing thru-holes. It has a 4 1/2" curved blade that's unbelievably sharp and the curved open-ring handle is very grippy with a grooved back. The karambit is 9 1/2" in overall length and can be conveniently carried and stored in a tough Kydex sheath with a boot clip.
