With the popularity of our United Cutlery Cyclone Dagger Knife in mind, we wanted to give our customers another awesome uniquely spiraling masterpiece! So, meet United Cutlery's new M48 Cyclone Boot Knife! Just like its "big brother," the 5 3/4" cast 2Cr13 stainless steel blade has been crafted into a tri-edged triumph, using temperatures up to 1,030 degrees, which gives it a 48HC. The three spiraling cutting edges come down to an incredibly sharp piercing point. As with all M48 knives, the glass-fiber-reinforced nylon handle gives you a strong and secure grip. The boot knife also features a solid stainless steel hand guard and skull crusher pommel. The blade slides into a custom Vortec belt sheath that fits like a glove and is virtually indestructible. Add the M48 Cyclone Boot Knife to the M48 Cyclone Dagger Knife to make an awesome duo!
