The Honshu Crusader Quillon Dagger was designed specifically to accompany the Honshu Broadsword as a parrying dagger. This fixed blade knife has a keenly sharp, 11 7/8" 1060 carbon steel blade with a satin finish and a blood groove. The textured and ridged, injection-molded TPR handle gives you a secure, slip-free grip even when the conditions are wet. The grip is bookended by a cast 2Cr13 stainless steel pommel and hand guard, both with a satin finish. The 18 5/8" overall dagger can be carried and stored in a genuine black leather belt sheath with snap closure strap.
