Always ahead of the curve, United Cutlery has taken its popular M48 Cyclone Dagger and taken it to a new level of fierceness! The M48 Cyclone Spear measures in at a whopping 48 7/8" from end to end and has the iconic three spiraling cutting edges, coming down to an incredibly sharp piercing point, that made the Cyclone so sought after. With a 9" cast 2Cr13 stainless steel blade this powerful and a glass-fiber reinforced nylon handle this tough, the spear was built for durability and strong use. Practical applications abound with the massive M48 Cyclone Spear, including uses like breaching, prying, and impaling practically anything.
